

GREEN YOUR PURCHASING WITH ECO-BUY

Join leading organisations by becoming a member of ECO-Buy and implementing a green purchasing program that will have a real impact in your organisation.

As a member of ECO-Buy you'll receive professional and practical support, advice and resources to deliver proven environmental benefits and cost savings through simple and effective changes in your organisation's purchasing habits.

Becoming a member of ECO-Buy will:

- ❏ Help you reduce your environmental impacts
- ❏ Deliver organisational efficiencies and increased cost savings
- ❏ Give you the tools and know-how to successfully embed green purchasing in your organisation
- ❏ Help you source genuine green products
- ❏ Demonstrate to stakeholders your commitment to sustainability

Recognising that every organisation has its own strategic objectives and timelines, ECO-Buy's membership packages are flexible, with members able to purchase particular resources from each package if required.

BASE ANNUAL MEMBERSHIP INCLUDES:

- ❏ Access to the online Member Forum for the latest in green purchasing information, enabling you to share ideas, experiences and resources with other members
- ❏ Why and How to Buy Green guide to successfully implementing green purchasing
- ❏ Access to green purchasing case studies, presentations and other resources
- ❏ Participation in network and roundtable meetings with other members and suppliers of green products
- ❏ Subscription to the ECO-Buy quarterly newsletter, with updates on green purchasing and new green products and services
- ❏ Discounts on products on the ECO-Find database of green products and suppliers
- ❏ ECO-Buy membership logo for your publications and marketing
- ❏ Discounts to ECO-Buy training, expos and partnership events
- ❏ Discounts on ECO-Buy consulting, research and project management services
- ❏ Free attendance for two people at ECO-Buy's annual awards

MEMBERS CAN THEN CHOOSE FROM THE FOLLOWING PACKAGES OR SELECT SPECIFIC RESOURCES TO SUIT THEIR OWN NEEDS
