

## ECO-Buy Business Membership

*Over half of your company's footprint is in its supply chain. Sustainable procurement can help you deliver a better outcome for the environment, your customers, and your bottom line.*

Becoming an ECO-Buy Member gives you access to the expertise and networks to achieve supply chain sustainability. As a member, you will receive dedicated support from ECO-Buy, including professional advice and a comprehensive range of resources, services and tools. You will also become a part of the ECO-Buy network of best practice, joining leading organisations and sharing knowledge and experiences.

The ECO-Buy Program will help your company to embed sustainable procurement practices into every purchasing decision it makes. Your membership is flexible, allowing you to choose from the benefits that will suit you. A list of these benefits is provided below, with further details on the reverse.

### Membership Benefits

**ECO-Buy Business Membership is \$6,740+GST**

### Advice & Expertise

**Access to ECO-Buy Staff** – on-call access to our expertise in procurement systems, individual purchases, and sustainable products. If we don't know the answer, we'll find someone who does!

**Gap Assessment and Action Plan** – review of your organisation's implementation of sustainable procurement against best practice approaches and identification of next steps.

**How and Why to Buy Green Guide** – guide to green procurement, its benefits, and how to implement it.

**Purchasing Category Guides** – category-specific guides to buying, including review of environmental impacts, aspects to look for and specifications.

**Curated News e-Bulletin** – collection of recent articles and news from around the world in one biweekly email, keeping you up to date with the latest developments.

### Peer Learning

**Business Roundtables** – quarterly meeting with other members to discuss a current issue or area of procurement, network, and share your progress.

**Member Discussion Forum** – online LinkedIn discussion group for members to post questions, ask for feedback, and share experiences.

**Case Studies** – read what other members are doing and share your own success.

**Working Groups** – specialised groups to discuss industry-specific procurement issues.

### Other Benefits

**Sustainable Procurement Assessment Tool** – self-assess your organisation's progress in 5 aspects of procurement and track your progress year to year against other organisations.

**Events and Networking** – priority access and discounts to ECO-Buy run events.

**Member Logo** – ECO-Buy Member logo to display on company collateral and website.

**Custom Member Portal** – access to all documents, guidance, and tools provided as part of your membership as well as recommended next steps for the organisation through a restricted log-in.

### Discounts

**50% off Training Courses** – including Fundamentals, Advanced, and Masterclasses

**50% off ECO-Guide Resources** – suite of tools, templates and guidance

**25% off Consulting Services** – hourly assistance with projects and in-house training

### Starter Pack

For those organisations starting toward sustainable procurement, we offer a package of additional resources and services to help in your first year for a reduced price of \$3,400. This includes:

- all our ECO-Guide resources, tools and templates;
- attendance of up to 5 people at public training sessions; and
- one half-day in-house training.
